Manuscript: AAS28278R1**Title:** Gravitational-Wave Signatures from Compact Object Binaries in the Galactic Center**Corresponding Author:** Huiyi Wang

Dear Ms. Wang,

After consultation with the reviewer, I am happy to accept your paper for publication in The Astrophysical Journal. The reviewer's final report is included below for your information. Minor corrections can still be made when you receive your proofs.

Correspondence concerning the logistical aspects of publishing this manuscript should be directed to journals.manager@aes.org. If you have any additional questions concerning the scientific content, please direct them to me.

Sincerely,
Luigi Stella
AAS Scientific Editor
luigi.stella@aes.org

=====

Reviewer Report

The Authors have satisfactorily addressed my comments and I think the paper is suitable for publication in the present form. I apologize with the Authors that this took longer than expected.

HUIYI WANG <cherylwang815@g.ucla.edu>

Your article for The Astrophysical Journal ac088d - Article published

Dear Ms Wang

Re: "Gravitational-wave Signatures from Compact Object Binaries in the Galactic Center" by Wang *et al*

We are pleased to let you know that your article has now been published online, and is available at <https://doi.org/10.3847/1538-4357/ac088d>. Please be aware it may take 2-3 hours for that link to become active.

As this article has now been published, no further proof changes can be made.

Thank you for your contribution to The Astrophysical Journal, and we hope you will consider sending your next article to us.

Yours sincerely

The ApJ Production Team
The Astrophysical Journal
